

General Catalog 2025-2026 Addendum

Redwood State University - Arcadia Falls, California

This addendum updates the 2025-2026 General Catalog. It supersedes the printed catalog.

Changes to courses

CS 304 Operating Systems: Prerequisite is now CS 201 only (CS 209 no longer required).

MATH 119: Course retitled Statistics for Everyday Life (was Quantitative Reasoning).

NURS 301: Clinical hours increased from 90 to 135; units unchanged.

ENVS 301: New course, Wildfire and Forest Management (3 units).

Changes to programs

B.S. Computer Science: CS 333 Accessible and Inclusive Software Design added as an upper-division core option beginning Fall 2026.

M.B.A.: Capstone may be completed as a consulting project or a thesis.

Policy updates

The deadline to withdraw without a W grade is now the end of the third week of instruction.
