

Emergency Procedures Quick Guide

Redwood State University - Arcadia Falls, California

In any emergency, call 911. From a campus phone, dial 9-911. University Police (non-emergency): (707) 555-0160.

Fire

Activate the nearest alarm, leave by the nearest exit, and do not use elevators.

Meet at your building's evacuation assembly area.

Earthquake

Drop, cover, and hold on. After shaking stops, evacuate if the building is damaged.

Tsunami (coastal field sites)

If you feel a strong or long earthquake near the coast, move to high ground immediately.

Wildfire smoke

Check RSU Alert messages. Stay indoors and use buildings with filtered air when AQI is above 150.

Shelter in place

Go inside the nearest building, lock or barricade doors, silence phones, and wait for instructions.

Sign up for RSU Alert text messages in RedwoodConnect under Profile.
